ENGLISH

Answers of Previous Question ( Rain on The Roof)

Note it down in proper English lit.note book

Answers

1. What does the poet like to do when it rains?

A. When it rains, the poet likes to lay in bed and hear the rain falling on the roof of his room.

2. What is the single major memory that comes to the poet? Who are the “darling

dreamers” he refers to?

A. The poet has memories of his beloved mother. When he was a child, she would put him and his siblings to bed and allowed them to sleep till late. They had sweet dreams in their sleep. “Darling Dreamers” refers to the poet and his siblings when they were children and had sweet dreams. They were loved by their mother and so, were her ‘darlings’.

3. Is the poet now a child? Is his mother still alive?

A. No, now the poet is not a child. He is an adult. His mother is not alive anymore.
